

## REACH - Customer information

Information on the products supplied by us under REACH - EC Regulation No. 1907/2006.

Fritz Becker GmbH & Co. KG is a downstream user in the context of REACH. As a downstream user, our company is generally not subject to any registration requirements under REACH. The components used to manufacture our products and the substances required for them have already passed the REACH process through our sub-suppliers.

The European chemicals agency ECHA has published a list of substances of very high concern (SVHC) on its website, which meet the criteria of Art. 57 of the above-mentioned REACH regulation and were determined according to the procedure of Art. 59 of the regulation.

**According to article 33 of the REACH regulation 1907/2006 we confirm that our articles and the respective packaging are in accordance with article 57 of the REACH regulation 1907/2006.**

**These articles and the respective packaging do not contain any SVHC, specified in the current candidate list (Article 59), with a concentration of over 0.1%.**

We are fully aware of our information obligations and take them very seriously for the well-being and protection of our customers. That is why we will provide our customers with all the information that is necessary and available to us for the safe use of our products.

For further questions, we are happy to help you.
